

# FATHER G. COTTON PRICES

Conditions Unfavorable for New Crop in Nearly Entire Belt, While Trade Advances Satisfactory—Big Spot Demand—Some Reaction Follows, But Tone Steady.

BY GEORGE WILLIAMSON.  
Values in the cotton market have been sharply higher during the past week, and the bulk of the advance was reflected in the lowest level of contract quotations. The market was steady, and the bulk of the advance was reflected in the lowest level of contract quotations. The market was steady, and the bulk of the advance was reflected in the lowest level of contract quotations. The market was steady, and the bulk of the advance was reflected in the lowest level of contract quotations.

Reaction is Moderate.  
But disappointment was the lot of those who thought the affair had been merely a technical matter. The market was steady, and the bulk of the advance was reflected in the lowest level of contract quotations. The market was steady, and the bulk of the advance was reflected in the lowest level of contract quotations. The market was steady, and the bulk of the advance was reflected in the lowest level of contract quotations.

## GRAIN MARKETS

### Large Receipts Bring Relief to Corn Shorts and Some Weakness Early.

CHICAGO, May 31.—Big receipts turned the corn market downward today and did much to relieve traders from misgivings that there would be a month-end squeeze of shorts. Selling, however, was not aggressive. Opening prices were 1¢ lower from 9c to 13c lower, with July 11¢ 1/4, 6¢ 1/4 and September 11¢ 1/4, 6¢ 1/4, were followed by moderate rallies.  
Toward the late related covering by shorts led to a sudden surge in values, especially May. The close was unsettled, 15¢ net higher, with July 11¢ 1/4, 6¢ 1/4 and September 11¢ 1/4, 6¢ 1/4.  
Oats were easy with corn. After opening at 10¢, including July at 67¢, the market recovered somewhat. Provisions unimpaired with the weakness of grain. Most of the trading was in corn.  
A decided general advance resulted from export buying.
